Dermed ligger det også prismessig mellom Kindle og Kindle Oasis. Standardversjonen av Kindle Paperwhite har en lagringsplas på 8 GB. Den kom på markedet for 2299 kroner, men i skrivende stund er den tilgjengelig for under 1800 kroner. Forgjengeren fra 2018 med 8 GB de lansert para 1389 kroner. Kindle Paperwhite Signature Edition er en noe dyrere modell. Den kom på markedet for rundt 2600 kroner, men er senere blitt tilgjengelig for rundt 500 kroner mindre. (Image credit: Future)Design og skjermKindle Paperwhite 2021 byr ikke på så store utseendemessige forandringer sammenlignet med forgjengeren. Skjermen er fremdeles i E Ink, og utførelsen ellers i svart plast. Den er fremdeles on flat plate uten knapper, slik at du må sveipe og trykke para å navigere deg omkring på skjermen. Dette går greit for deg som har tålmodighet til de langsomme overgangene når man blar om, men det kan være irriterende for raskere lesere som leser en spenningsroman. Hvis du heller vil ha knapper, velger du Kindle Oasis, en dyrere modell enn Signature Edition. Men vær klar in Oasis ikke er blitt oppgradert siden 2019. Dermed har Signature Edition fått oppgraderinger dens dyre søsken mangler (som trådløs lading og automatisk dimmer). Nytt i 2021-utgaven avwhite Paper er on USB-C-port nederst. Den erstatter den utfasede mikro-USB. Ved siden av porten finner man på-knappen. Den kommer egentlig nude i veien hvis du stiller opp brettet (som da vi tok produktfoto). Dermed er det lite trolig at du vil komme horti den ved et uhell. (Image credit: future)Som tidligere nevnt har Kindlewhite 2021 on E Ink-skjerm på 6,8 tommer. Den er merkbart større enn 6-tommersskjermen til 2018-modellen. Men 2021-skjermen er ikke hvassere i seg selv, for pikseltettheten er denne enenojsknuf essidI ,yaR-X dem røpergeb go ngert revø tkisrevo edloh go nenojsknuf-cmysrepsihW av reppa go rehtohe-eldniK mollem redis eresinorknys ,renojsinfeddro ppo ÅVÅls nak ud ,yÅ ,Åkrevesel va glavtu snozama ÅVÅ sgo rah ethiwrepaP) erutf: Tidre egjami (.nemrejsk Å Y Åp tsrevå ,Ås okkyrt ud å å åresel mos nelibom rekurb ud rY Åfn tefsgnirregivan go Y s ,nemrejsk ÅVÅp tidm kyrrt ,reilortnokepeb egillejksrof rah nofelelibom rof neppa-eldniK dem go lit ,tterbesel rof tinsnesngr ekilu lit tnav re nam sivh gnipievs lit ges esnergeb ettÅVÅm ÅYÅ edneritirri erÅJÅ v nak teD,ethiwrepaP ÅVÅp gniregivan dev redlejj mos gnipievs erab ted re ,reppank dem reregivan ud red ,tterbesel erdna arf llejksrof lit ,mo ralb ud rÅVÅn nojsamina go gniregivanepievs telknerof dem tinsnesngrekurb go metsysvitarepo-eldniK Snozama Rah 1202 ethiwrepaP.enofelelibom etbyself ed nne ergnyt ttli erab re enelledom-ithiwrepaP.) 300 ppi (as well as the last gene), significantly more than the Kindle 167. The new model increases the size slightly 6.6 to 6.8 inches, only one hair under the seven oasis. Oasis: The models have IPX3 waterproofing, also, always pleasant for those who like to read near the pool, the bathroom or any body of water. The oasis still wins in the front lighting, with 25 at 17 of the Paperwhite (owner, at least in part, to a small screen), although the lighting is uniform and does a good job when reading in the dark. The system obtains the color temperature adjustment introduced in the 2019 OASIS, a characteristic that reduces blue lighting at a time, which can be harmful to its dream patterns. An ambient light sensor to adjust the brightness only is available in the signature edition. Image crops: Brian Heater The storage on board is the other important difference between the edition is Paperwhite and Signature Edition, so that things rise from 8 to 32 GB. Those are the two things that I would miss, lowering it to the edition is and without a doubt not enough to justify the price gap between \$ 140 and \$ 190. That is doubly the case knowing that the \$ 30 cargo dock is sold separately (my telå © phono Anker charger works well, thank you). In total, many additions of welcome here. If you have a 2018 Paperwhite, it is probably not worth the update, but if you are looking for a very rounded e-reader, this is probably the one. The new characteristics disappoint the lines between the premium oasis. That \$ 250 looks and a more premium sensation, but for a majority of readers, the new Paperwhite has a lot of sense. sense.
