Kaplan offers Praxis Test Prep & Practice Resources for aspiring teachers. For those already familiar with the PLT portion of the Praxis, these practice questions are available: Practice Questions include Praxis Reading, Writing, and PLT: Grades 7-12 content. Ted Chan, Managing Editor at PracticeQuiz.com, has experience as a journalist and writer for top publications. The website also features a free practice test for the Praxis Principles of Learning and Teaching: 5-9 (5623) exam, designed to assess your knowledge and help you identify areas for improvement before taking the actual test. To make the most out of your free Praxis Principles of Learning and Teaching: 5-9 test, it's essential to use it as a diagnostic tool. Set up a quiet space with minimal distractions and take the full practice test in one sitting, just like on actual test day. Once you're done, don't refer back to any notes - instead, let your score report guide your studying. Identify areas where you need improvement and develop a personalized study plan accordingly. For added support, consider utilizing online resources like 240 Tutoring, which offers tailored plans based on your results.
