The graphics is quite good, and there are a lot of functions of the game . Technically, it is an improved version of Oracle of Ages & Seasons, and Link Awakening. About the functionality, you can collect figurines of almost everyone at stake, trading mysterious shells at 'em, and there are the descriptions for 'EM. For some enemy figurines, weaknesses for the recent IONS Some of the 'EM are revealed. There are a special Aussi technical sword taught to you by sword masters, all scattered around Hyrule, and you need to find 'em to teach tense skills. Purpose For some of them there are requirements you need to log in for full em to teach. And you need a precise object for you to perform the revisions some of the techniques. Also, you get to shrink, to transform super tiny and talk to the people of Super Tiny are that part of history, no, actually play an important role in history! From here the title, they refer to themselves as the minish, even if humans call 'em the picori. And as a bonus, you-has a hat to talk is the head, who is actually an old minish who was cursed by a human minish magician transformed evil, which turns the princess of Zelda in stone! Well, ä ¢
