À a complete change in the way Facebook À and works on computers and 3 devices. Don't give up. The company has indicated that augmented and virtual reality will be a key part of its strategy in the 3 coming years. The company also said this week that it will spend about 10,000 million 3 during the 3 to develop the technologies needed to build the metaverse. Zuckerberg on Thursday provided a demonstration 3 the ambitions of the company taverso. The demonstration 3 a Pixar-like animation 3 software that the company hopes to build some. He was getting pretty quick on the resolutions on the small screen. À Has a great webinar tool been created? Above, we briefly introduce you to Facebook's new look for 2020. Of course, the classic options for inserting photos, gifs, tagging people and places, or emotions are available. The Cambria project will be launched next 3, Zuckerberg said. Meta also annunciÀ the codename of its first AR-capable smart glasses: Nazare Project. There is only f in a blue or white square. Now the letter f is larger and has a lighter blue circle. Facebook stories stand out in the center in the form of a straight line, as in the 3 application 3. The bottom bar brings some news. The new Facebook is an 3 interface update that puts more emphasis on Groups and Events à the two biggest reasons people visit Facebook every day. It looks modern, and most importantly, À is À transparent. Message windows in the new Facebook An interesting way to present current (open) conversations on Messenger. Zuckerberg said that "we still have a way to go with Nazare, but we are making good progress. The rebranding comes amid a flood of news over the past month after the Frances Haugen, a former employee turned informant, will release a treasure trove of company internal documents to the media, lawmakers and regulators. Reports show that the company is aware of many of the damage that its applications and services cause, but neither rectify the issues or struggles to address them. Top of page is no longer blue. It aims to facilitate navigation on Facebook while modernizing the appearance of Facebook for the new decade. The announcement took place in April 2019. See for yourself in the video below. New Facebook çAAA adding a post New look for Facebook notifications In the header on the right, we have a section for notifications, messages and profile options. The classic light version will change into a snap into dark mode, which will be a good option when watching videos or Facebook Live. Facebook Dark Mode / White Mode Other features for the new Facebook Facebook has announced several new features for events and specific social groups (Gaming Chat and Gaming Stream). The middle section contains light grey icons: your news feed, video centre (watch), the marketplace, groups and gaming. Interactions for Facebook Live will also be improved, especially for people who use it for sales purposes. We found ourselves in a group of users selected by Facebook who was given the new Facebook look. In general, the site looks more minimalistic than the current version and contains more white space. The first checkbox is the audience, then the post content. In November 2019, the first people in the USA were invited to the tests, then Canada, United Kingdom. It has been many years since a significant change of appearance appeared on Facebook, so this message is both welcome and much needed. And in its third-quarter earnings results on Monday, the company announced that it will break out Reality Labs, its hardware division, into its own reporting segment, starting in the fourth quarter. "Our hope is that within the next decade, the metaverse will reach a billion people, host hundreds of billions of dollars of digital commerce, and support jobs for millions of creators and developers," Zuckerberg wrote in a letter on Thursday. Over the past few years, the company has increase its hardware efforts, introducing a line of Portal video calling devices, launching the Ray-Ban Stories glasses and launching several versions of the Oculus virtual reality headphones. To start a chat, simply click the plus icon in the lower right corner of the browser. Facebook Dark Mode The long-awaited dark mode of Facebook is available with just one click. Four major changes have been made to Facebook's history: Facebook announced on Thursday that it has changed the name of its company to Meta. The name change was announced at the Augmented Reality and Virtual Facebook Connect conference. It also means that the news feed will be less available on New Facebook. Conference F8 2019 in 12 minutes Both the desktop page and the mobile application will automatically receive this update. 1. The price of the shares of Meta closed on Thursday. In July, the company announced the formation of a team that would work on the metaverse. Or maybe you already have access to the new Facebook? You will find, among others, various sources and funds. Notifications and messages opened in the column, also profile options. So, what can we expect? What is New Facebook? Social media plans were announced at the F8 2019 conference, including the redesign of Facebook. The old Facebook opened them in the bar at the bottom of the page. Instead, it is white and is divided into three sections. The glasses are "just a few years away", the company said on a blog. More documents are expected to be shared daily in the coming weeks. In a call to analysts on Monday, Zuckerberg vehemently refuted the claims and criticisms of the reports stemming from the documents provided by Haugen. There are still no updates for users, Facebook said they plan to offer a new image in a wider range in the spring of to the new Facebook 2020À "A small percentageÀ" of people who can access new features on Facebook seeÀ n a pop-up window after starting 3 with an invitation 3 try New New Design 2020 The Facebook you know will soon become a thing of the past. Two months later, the company said it would elevate Andrew "Boz" Bosworth, who is currently the head of the company's hardware division, to the role of chief technology officer in 2022. The device will be a high-end product available at a higher price point than the \$299 Quest 2 headset, the company said in a blog post. A complete transformation of all functions. The new Facebook design has active messages hidden under thumbnails on the right. The new name reflects the company's growing ambitions beyond social media. À Facebook, now known as Meta, has adopted the new moniker, based on the sci-fi term metaverse, to describe its vision for working and playing in a virtual world. "Today we are seen as a social media company, but in our DNA we are a company that builds technology to connect people, and the metaverse is the next frontier just like social networking was when we got started," Meta CEO Mark Zuckerberg said. À The company also said in announcing the new name that it will change its stock ticker from À ÁFBÀ Áto MVRs, effective Dec. The demo included users hanging out in space as cartoon-like versions of themselves or fantastical characters, like a robot, that represent their virtual selves. À Zuckerberg À Áused part of it to accuse other tech firms of stifling innovation with high developer fees. Zuckerberg said a lot of this is a long way off, with elements of the metaverse potentially becoming mainstream in five to 10 years. À The company expects "to invest many billions of dollars for years to come before the metaverse reaches scale," Zuckerberg added. "We believe the metaverse will be the successor to the mobile internet," Zuckerberg said. Additionally, Meta announced a new virtual reality headset named Project Cambria.
